SECTION II DISCLAIMERS

DISCLAIMER OF THE ISSUER

This Private Placement Offer Letter is neither a Prospectus nor a Statement in Lieu of Prospectus and is prepared in conformity with Companies Act, 2013, Form PAS-4 prescribed under Section 42 and Rule 14(1) of Companies (Prospectus and Allotment of Securities) Rules, 2014, SEBI Guidelines and RBI Guidelines and the relevant rules and regulations therein. This document does not constitute an offer to the public generally to subscribe for or otherwise acquire the Bonds to be issued by REC. This document is for the exclusive use of the investors to whom it has been specifically addressed and it should not be circulated or distributed to third party (s). It is not and shall not be deemed to constitute an offer or an invitation to the public in general to subscribe to the Bonds issued by the Issuer. This Bond issue is made strictly on private placement basis. Apart from this Private Placement Offer Letter, no offer document or prospectus is being prepared in connection with the offering of this Issue or in relation to Issuer.

This Private Placement Offer Letter is not intended to form the basis of evaluation for the prospective subscribers to whom it is addressed and who are willing and eligible to subscribe to the Bonds issued by REC. This Private Placement Offer Letter has been prepared to give general information regarding REC to parties proposing to invest in this issue of Bonds and it does not purport to contain all the information that any such party may require. REC believes that the information contained in this Private Placement Offer Letter is true and correct as of the date hereof. REC does not undertake to update this Private Placement Offer Letter to reflect subsequent events and thus prospective subscribers must confirm about the accuracy and relevancy of any information contained herein with REC. However, REC reserves its right for providing the information at its absolute discretion. REC accepts no responsibility for statements made in any advertisement or another material and anyone placing reliance on any other source of information would be doing so at his own risk and responsibility.

Prospective subscribers must make their own independent evaluation and judgment before making the investment and are believed to be experienced in investing in debt markets and are able to bear the economic risk of investing in Bonds. It is the responsibility of the prospective subscribers to have obtained all consents, approvals or authorizations required by them to make an offer to subscribe for, and purchase the Bonds. It is the responsibility of the prospective subscribers to verify if they have necessary power and competence to apply for the Bonds under the relevant laws and regulations in force. Prospective subscribers should conduct their own investigation, due diligence and analysis before applying for the Bonds. Nothing in this Private Placement Offer Letter should be construed as advice or recommendation by the Issuer or by the Arrangers to the Issue to subscribers to the Bonds. The prospective subscribers also acknowledge that the Arrangers to the Issue do not owe the subscribers any duty of care in respect of this private placement offer to subscribe for the Bonds. Prospective subscribers should also consult their own advisors on the implications of application, allotment, sale, holding, ownership and redemption of these Bonds and matters incidental thereto.

This Private Placement Offer Letter is not intended for distribution and as per sub-section (8) of section 42 of the Companies Act, 2013, the Issuer shall not release any public advertisements or utilise any media, marketing or distribution channels or agents to inform the public at large in relation to this Issue. It is meant for the consideration of the person to whom it is addressed and should not be reproduced by the recipient. The securities mentioned herein are being issued on private placement basis and this offer does not constitute a public offer/ invitation.

The Issuer reserves the right to withdraw the private placement of the Bond issue prior to the issue closing date(s) in the event of any unforeseen development adversely affecting the economic and regulatory environment or any other force majeure condition including any change in applicable law. In such an event, the Issuer will refund the application money, if any, along with interest payable on such application money, if any.

DISCLAIMER OF THE SECURITIES & EXCHANGE BOARD OF INDIA

This Private Placement Offer Letter has not been approved by Securities & Exchange Board of India. The Bonds have not been recommended or approved by SEBI nor does SEBI guarantee the accuracy or adequacy of this Private Placement Offer Letter. It is to be distinctly understood that this Private Placement Offer Letter should not, in any way, be deemed or construed that the same has been cleared or vetted by SEBI. SEBI does not take any responsibility either for the financial soundness of any scheme or the project for which the Issue is

proposed to be made, or for the correctness of the statements made or opinions expressed in this Private Placement Offer Letter. Pursuant to rule 14 (3) of the Companies (Prospectus and Allotment of Securities) Rules, 2014, a copy of this Private Placement Offer Letter shall be filed with the Registrar of Companies, National Capital Territory of Delhi & Haryana along with fee as provided in the Companies (Registration Offices and Fees) Rules, 2014 and the same shall also be filed with SEBI along with fee as provided in the Securities and Exchange Board of India (Payment of Fees) (Amendment) Regulations, 2014 within a period of thirty days of circulation of the Private Placement Offer Letter. However SEBI reserves the right to take up at any point of time, with REC, any irregularities or lapses in this Private Placement Offer Letter.

DISCLAIMER OF THE ARRANGERS

It is advised that REC has exercised self-due-diligence to ensure complete compliance of prescribed disclosure norms in this Private Placement Offer Letter. The role of the Arrangers to the Issue in the assignment is confined to marketing and placement of the Bonds on the basis of this Private Placement Offer Letter as prepared by REC. The Arrangers to the Issue have neither scrutinized/vetted nor have they done any due-diligence for verification of the contents of this Private Placement Offer Letter. The Arrangers to the Issue shall use this Private Placement Offer Letter for the purpose of soliciting subscription from qualified institutional investors in the Bonds to be issued by REC on private placement basis. It is to be distinctly understood that the aforesaid use of this Private Placement Offer Letter by the Arrangers to the Issue shall neither in any way be deemed or construed that this Private Placement Offer Letter has been prepared, cleared, approved or vetted by the Arrangers to the Issue, nor do they in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Private Placement Offer Letter; nor do they take responsibility for the financial or other soundness of the Issuer, its promoters, its management or any scheme or project of REC. The Arrangers to the Issue or any of its directors, employees, affiliates or representatives do not accept any responsibility and/or liability for any loss or damage arising of whatever nature and extent in connection with the use of any of the information contained in this Private Placement Offer Letter.

DISCLAIMER OF THE STOCK EXCHANGE

As required, a copy of this Private Placement Offer Letter has been submitted to BSE and/or NSE (hereinafter collectively referred to as “Exchanges”) for hosting the same on its website. It is to be distinctly understood that such submission of the document with BSE and/or NSE or hosting the same on its website should not in any way be deemed or construed that this Private Placement Offer Letter has been cleared or approved by the Exchanges; nor do they in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this document; nor do they warrant that the Issuer’s bonds will be listed or continue to be listed on the Exchanges; nor do they take responsibility for the financial or other soundness of this Issuer, its promoters, its management or any scheme or project of REC. Every person who desires to apply for or otherwise acquire any bonds of the Issuer may do so pursuant to independent inquiry, investigation and analysis and shall not have any claim against the Exchange whatsoever by reason of any loss which may be suffered by such person consequent to or in connection with such subscription/acquisition whether by reason of anything stated or omitted to be stated herein or any other reason whatsoever.

DISCLAIMER OF THE RESERVE BANK OF INDIA

The Bonds have not been recommended or approved by the RBI nor does RBI guarantee the accuracy or adequacy of this Private Placement Offer Letter. It is to be distinctly understood that this Private Placement Offer Letter should not, in any way, be deemed or construed that the Bonds have been recommended for investment by the RBI. RBI does not take any responsibility either for the financial soundness of the Issuer, or the Bonds being issued by the Issuer or for the correctness of the statements made or opinions expressed in this Private Placement Offer Letter. The potential investors may make investment decision in respect of the Bonds offered in terms of this Private Placement Offer Letter solely on the basis of their own analysis and RBI does not accept any responsibility about servicing/repayment of such investment.

SECTION IV

BRIEF HISTORY OF ISSUER SINCE INCORPORATION, DETAILS OF ACTIVITIES UNDERTAKEN, ANY REORGANIZATION, RECONSTRUCTION OR AMALGAMATION

4.1. CONSTITUTION

REC is a Government of India ("GoI") Public Sector Enterprise, incorporated on July 25, 1969 under the Companies Act, having net worth of over ₹35,144.92 crore (on standalone basis) as on September 30, 2017. It provides financial assistance to SEB, State Government Departments and Rural Electric Cooperatives for village electrification and energisation of pump sets for increasing agricultural production and to other Centre and State utilities as also to the private sector utilities. REC was declared as a Public Financial Institution under Section 4A of the Companies Act, 1956 (corresponding Section 2(72) of the Companies Act, 2013) in February 1992 and registered as Non-Banking Financial Company under Section 45-IA of the RBI Act, 1934 in February 1998. It is also the nodal agency for channelizing finance to aid the GoI's social and economic objective of achieving 100% rural electrification. REC's importance has been further enhanced by the virtual absence of private sector investments in rural electrification.

SECTION VI

BRIEF SUMMARY OF BUSINESS/ACTIVITIES OF ISSUER AND ITS LINE OF BUSINESS

6.1. OVERVIEW

We are public financial institution in the Indian power infrastructure sector and are engaged in the financing and promotion of transmission, distribution and generation including renewable energy projects throughout India. We commenced our operations in 1969 for the purpose of developing the power infrastructure in rural areas. We have contributed to the development of rural India and India's agriculture through our funding of transmission and distribution projects in rural areas. Our mandate has evolved in accordance with the development priorities of GoI and since Fiscal 2003, we are permitted to finance all segments of the power sector, including generation, transmission and distribution, throughout the country. Our mandate was further extended to include financing other activities with linkages to power projects, such as coal and other mining activities, fuel supply arrangements for the power sector and other power-related infrastructure. In June 2011, we have set up a separate division for funding renewable projects in order to further achieve the goal of conserving fossil fuels and reducing our carbon foot prints. REC is one of only 14 Indian public sector undertakings to be granted “Navratna” status by the Department of Public Enterprise by virtue of our operational efficiency and financial strength. The GoI has rated our performance as “Excellent” continuously since Fiscal 1994. We have also been ranked among the top ten public sector undertakings in India by the Ministry of Heavy Industries and Public Enterprises for Fiscal 2000, Fiscal 2001, Fiscal 2002, Fiscal 2004 and Fiscal 2005. Domestically, we hold the highest credit rating for long-term borrowing consisting of domestic credit rating from each of IRRPL, CRISIL, ICRA and CARE. On an international basis, we hold long-term borrowing ratings from Fitch and Moody's that are at par with sovereign ratings for India.

The President of India, acting through nominees from the Ministry of Power (“MoP”), currently holds 58.32% of the issued and paid up equity capital of our Company. The GoI, acting through the MoP, oversees our operations and has the power to appoint Directors to our Board. We have a branch network of 19 project offices and 3 sub-offices spread across India. The registered office at New Delhi looks at the matters relating to Planning and Policy formulation, Resource Mobilization, Financial Operations etc. Project/Field offices attend functions relating to preliminary processing of new schemes, monitoring of on-going schemes, scrutiny of loan claims, recovery of dues and maintain liaison with SEBs and State Governments for effective implementation of rural electrification programme funded by the Corporation.

Our Strengths

We believe that the following are our primary strengths:

- Our financial position is strong and our business is profitable.
- We are uniquely positioned to access and appraise borrowers in the Indian power sector.
- We occupy a key strategic position in the GoI's plans for growth of the power sector.
- We have an experienced management team with sector expertise.
- Pan India presence through our zonal/project offices in most of state capitals.

Our Strategy

The key elements of our business strategy are as follows:

- Continue to fund the increased investment in the Indian power sector.
- Maintain the diversity of our asset portfolio and seek higher yielding loan assets.
- Increase our involvement in consortium lending and private sector participation in the Indian power sector.
- Increase our fee-based income.
- Implement technological innovation to manage our growth and remain a dynamic organisation.

6.2. OUR PRODUCTS

Long-term Loans

We offer our long-term loans to central-sector power utilities, state-sector power utilities, joint-sector power utilities, state power departments, private sector power utilities and rural electricity cooperatives. Our long-term loans generally are sanctioned with respect to a specific power-related project at project inception or as bulk loans for procurement of equipment. Our long-term loans to the public sector for transmission and distribution projects typically require the borrower to obtain a state government guarantee of the loan and/or hypothecate a portion of its existing assets or hypothecate all of its project assets to secure the loan. The percentage of guarantee and hypothecation of assets differs on a case-to-case basis.

Short-term Loans

We offer short-term loans to our state sector borrowers to meet their immediate working capital requirements, including for the purchase of fuel for power plants, system and network maintenance, including transformer repairs, the purchase of power, the purchase of materials and minor equipment.

Others

- **Debt Refinancing**

We may offer a debt refinancing scheme for borrowers who have borrowed funds from other lending institutions at a higher rate of interest. The refinancing facility is available generally for commissioned projects. We offer our debt refinancing products on the same interest rate terms as our long-term loans; however, the maturity of our debt refinancing products is generally not later than the maturity of the refinanced indebtedness.

- **Bridge Loans**

We may provide short-term bridge loan financing for borrowers that have been sanctioned financial assistance from or through us, primarily in the form of grants or long-term loans, and have received a sanction letter for the funding but are awaiting disbursements pending formalities or clearances.

- **Short-term Loans to Equipment Manufacturers**

We may offer short-term loans to manufacturers of equipment or materials. To be eligible to receive these loans the equipment manufacturers must have been awarded a firm order for executing contracts in power projects in India by power utilities. We do not currently have any such loans outstanding.

- **Medium-term Loans**

We offer medium-term loans (MTL) to the Central/State Government Power Utilities and State Governments that are not in default to our Company for the following purposes:

- purchase of fuel for power plant
- system and network maintenance including transformer repairs
- purchase of power
- any other requirement due to inadequate tariff revision, repayment of loan obligation, delay in receipt of support from Govt. etc.

MTL are not provided to the following category of customer:

- who are in default to REC, or
- utilities categorised as Grade "C"
- utilities that have availed Transitional Financing Loan (TFL) facility

These loans have a loan period of more than one to three years. As on March 31st 2017, MTL outstanding amounted to ₹ 5680.06 crores.

Loans for Power Purchase through Indian Energy Exchange

In December 2009, our Board of Directors approved a new scheme pursuant to which we intend to finance power purchases made through the Indian Energy Exchange, which is one of two energy exchanges operating in India. It is currently intended that these power purchase loans may be offered to our existing public sector borrowers for the purpose of non-speculative purchases of power through the exchange with a maturity of 90 days from disbursement. Power purchase loans will be secured by escrow arrangements or bank guarantees, at the discretion of the borrower.

Deendayal Upadhyaya Gram Jyoti Yojana

Government of India, in April 2005, launched the "Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY) Scheme of Rural Electricity Infrastructure and Household Electrification" vide O.M. No. 44/19/2004-D(RE), dated March 18, 2005 for providing access to electricity to all rural households. REC is the Nodal Agency for implementation of the Scheme. Under the scheme 90% capital subsidy is being provided by GoI which is released through REC to the respective Implementing Agencies of the State. Subsequently, RGGVY scheme has been subsumed in new 'Deendayal Upadhyaya Gram Jyoti Yojana' (DDUGJY) scheme which was approved by Government of India vide OM No. 44/44/2014-RE dated December 03, 2014. Under DDUGJY, 60% of the project cost (85% for special States) is provided as grant by Government of India and additional grant upto 15% (5% for special States) is provided by Government of India on achievement of prescribed milestones.

The main components of the scheme are as under:

- i. Separation of agriculture and non-agriculture feeders facilitating judicious fostering of supply to agricultural & non- agricultural consumers in the rural areas; and
- ii. Strengthening and augmentation of sub-transmission & distribution infrastructure in rural areas, including metering of distribution transformers/feeders/consumers; and
- iii. Rural electrification for completion of the targets laid down under RGGVY for 12th and 13th Plans by carrying forward the approved outlay for RGGVY to DDUGJY.

The components at (i) and (ii) will have an estimated outlay of INR 43,033 Crores including budgetary support of INR 33,453 Crore from GOI during the entire implementation period. For component (iii) above, scheme cost of INR 39,275 Crore including a budgetary support of INR 35,447 Crores has been approved.

Rural Electrification Corporation Limited (REC) is the Nodal Agency for operationalization of the scheme and REC would be paid 0.5% of the total project cost as Agency fee.

National Electricity Fund (NEF)

National Electricity Fund (NEF) - Interest Subsidy Scheme, has become operational during the year 2012-13. The scheme has been introduced by GoI to promote the capital investment in the distribution sector. The scheme shall provide interest subsidy, linked with reform measures, on loans taken by private and public power distribution utilities for approved power Distribution Infrastructure projects.

NEF would provide interest subsidy aggregating to INR 84,660 million (USD 1,355 million spread over maximum loan tenure of 13 years against loan amount of INR 250,000 million (USD 4,000 million)) for distribution projects approved during 2012-13 and 2013-14. The pre-conditions for eligibility are linked to certain reform measures to be achieved by Discoms. Interest subsidy to the tune of 3-7%, is linked to the achievement of mainly two efficiency benchmark i.e., reduction of AT&C losses & reduction in revenue gap (ACS & ARR).

Rural Electrification Corporation is the Nodal Agency for the scheme with a mandate to operationalize the scheme and pass on the benefit of interest subsidy to eligible distribution utilities. REC will receive service charges at the rate of 0.5% of the total loan amount approved by the NEF Steering Committee.

REC, during Fiscal 2013 & Fiscal 2014, has conveyed approval for projects of loan amounting to INR 264,067 million (USD 4,226 million) to 25 discoms of 15 states. The interest subsidy shall be released on the basis of continual improvement in performance of discom (mainly reduction of AT&C losses & reduction in revenue gap-ACS & ARR) to be evaluated on annual basis during the loan tenure. Independent Evaluators have been appointed for evaluation of interest subsidy proposal. It is expected that NEF scheme will supplement the efforts of Govt. of India and result in improvement in distribution sector in the country. NEF scheme has given an opportunity to REC to enhance its business prospects in the power distribution sector.

NEF Steering Committee till 31st March, 2017, has approved interest subsidy amounting to INR 593.44 million to eligible Discoms based on the performance criterion evaluated by Independent Evaluators and REC. Discoms have started getting the interest subsidy amount under the Scheme and the benefits shall ultimately be passed on to the consumers of the respective Discoms.

UDAY SCHEME

The recent initiative by Ministry of Power, Government of India through Ujwal DISCOM Assurance Yojana (UDAY), launched in November 2015, is a path breaking reform for realizing the Hon'ble Prime Minister's vision of affordable and accessible 24x7 power for all. It is another decisive step furthering the landmark strides made in the Power sector over the past two years, with the sector witnessing a series of historic improvements across the entire value chain, from fuel supply (highest coal production growth in over 2 decades), to generation (highest ever capacity addition), transmission (highest ever increase in transmission lines) and consumption (over 2.3 crore LED bulbs distributed).

Financially stressed DISCOMs are not able to supply adequate power at affordable rates, which hampers quality of life and overall economic growth and development. Efforts towards 100% village electrification, 24X7 power supply and clean energy cannot be achieved without performing DISCOMs. Power outages also adversely affect national priorities like "Make in India" and "Digital India".

Due to legacy issues, DISCOMs are trapped in a vicious cycle with operational losses being funded by debt. Outstanding debt of DISCOMs has increased from about 2.4 lakh crore at the end of 2011-12 to about 4.3 lakh crore at the end of 2014-15. UDAY assures the rise of vibrant and efficient DISCOMs through a permanent resolution of past as well as potential future issues of the sector. It empowers DISCOMs with the opportunity to break even in the next 2-3 years. This is through four initiatives (i) Improving operational efficiencies of DISCOMs; (ii) Reduction of cost of power; (iii) Reduction in interest cost of DISCOMs; and (iv) Enforcing financial discipline on DISCOMs through alignment with State finances.

ERP and Information Security Management System (ISMS)

REC remains committed to use of technology to increase its efficiency, and in its efforts to increase its efficiency by use of technology and reduce the time involved in business functions like Central Accounting, Project Appraisal and Sanction, Disbursement etc., REC has implemented Enterprise Resource Planning (ERP) system in the Corporation, which has resulted in increase in efficiency and greater customer satisfaction. Employee processes are also on-line through HR-ERP System. Towards achieving efficient e-governance and transparency, in procurement, now all procurement of goods and services above a cut-off value are being done through the E-procurement system which is also capable of conducting e-Reverse Auction. Additionally, Document Management System ("DMS") and other in-house developed systems viz. Annual Property Return, Bill Payment and Tracking System, Visitor Management System, File Movement System etc. have been implemented to improve the efficiency of REC. Also, for better operational environment & internal control and to mitigate security risk, REC Data Centre and Disaster Recovery Centre comply with Information Security Management System ("ISMS") policies and are ISO/IEC 27001:2013 certified, which is the global security standard, by British Standard Institution (BSI).

6.3. Resource Mobilisation

We generally fund our assets, primarily comprising loans to the power sector, with borrowings of various maturities in the domestic and international markets. Our market borrowings include bonds, short-term loans, medium-term loans, long-term loans and external commercial borrowings. As on March 31, 2017, we had total outstanding borrowing of 167517.38 crores. The following table sets forth our indebtedness classified by Rupee-denominated and foreign currency-denominated sources and the percentages such resources constituted of our total indebtedness as on March 31, 2015, 2016 and 2017. The Rupee equivalents of foreign currency-denominated debts (other than those that are already fully hedged) are translated with reference to rates of exchange prevailing as at the end of all the periods indicated.

(All figures are in (INR) crores, except percentages)

Taxable Bonds

We issue secured/ unsecured, non-convertible, non-cumulative, redeemable, taxable, senior/subordinate bonds typically with a maturity of three to ten years from the date of issuance and bearing a fixed interest rate that depends upon market conditions at the time of issuance.

54EC – Capital Gain Tax Exemption Bonds

We began issuing 54 EC – Capital Gain Tax Exemption bonds from Fiscal 2001. Section 54EC of the Income Tax Act, 1961 relates to exemption of taxes on long term capital gains, if invested in these bonds, subject to limits and qualifications. We are, therefore, able to price such bonds at a lower rate of interest than would otherwise be available to us. In order to qualify for the tax exemption, these bonds must be held for period not

less than three years. Up to Fiscal 2007, these bonds have put dates or maturity dates at the end of three years from issuance and thereafter automatic redemption after the lock in period of three years. Since January 2007, the GoI has limited the amount of our bonds that an individual investor can utilise to offset long term capital gains to INR 0.50 crore in a financial year which has reduced the amount of bonds we have been able to offer for subsequent periods. The 54EC – capital gain tax exemption bonds are offered on a domestic private placement basis and are not listed on any exchange.

Infrastructure Bonds

We have issued infrastructure bonds, in Fiscal 2002 to 2005 u/s 88 of the Income Tax Act, and in Fiscal 2011 and 2012, u/s 80CCF of the Income Tax Act. Under provisions of Section 88 of the Income Tax Act, 1961, deduction is allowed from the amount of income tax (as computed before allowing the deductions under Chapter VI) on investor's total income, on investment of these bonds. Under provisions of Section 80CCF of the Income Tax Act, 1961, deduction is allowed from gross total income of an assessee on investment in these bonds and terms of the issue were subject to Notification No. 48/2010/F NO 149/84/2010-SO (TPL) issued by CBDT.

Our infrastructure bonds typically have a maturity of ten and fifteen years from the date of issuance and bear a fixed interest rate with buyback option after specified years i.e., 5/6/7/8/9 years. The infrastructure bonds were offered on a domestic private placement basis and bond issued in Fiscal 2011 & 2012 are listed on NSE and tradable after lock in period.

Tax-free Bonds

We have issued tax-free bonds up to Fiscal 2002 and thereafter issued in Fiscal 2012 to Fiscal 2014 and Fiscal 2016. Under provisions of the Income Tax Act, interest on these bonds was tax exempt for bondholders and we were therefore able to price such bonds at a lower rate of interest that would otherwise have been available to us. The weighted average annualised cost of borrowing on all of our outstanding tax free bonds as on March 31, 2017 was 8.07%.

The tax-free bonds issued up to Fiscal 2002, were offered on a domestic private placement basis and listed on the “whole sale debt market segment” of the NSE. The tax-free bonds issued in Fiscal 2012, were offered under domestic public issue and listed on the “whole sale debt market segment” of the BSE. The tax-free bonds issued in Fiscal 2013 & Fiscal 2014, were offered under domestic public issue & private placement and listed on the “retail debt market segment” and “whole sale debt market segment” respectively of the BSE and NSE. The tax-free bonds issued in Fiscal 2016 were offered under domestic public issue & private placement and listed on the “retail debt market segment” and “whole sale debt market segment” respectively of the BSE. Our tax free bonds typically have a maturity of ten, fifteen and twenty years from the date of issuance and bear a fixed interest rate.

SECTION IX MANAGEMENT'S PERCEPTION OF RISK FACTORS

MANAGEMENT PERCEPTION OF RISK FACTOR

The Investor should carefully consider all the information in this Private Placement Offer Letter, including the risks and uncertainties described below before making an investment in the Bonds. The risks and uncertainties described in this section are not the only risks that we currently face. Additional risks and uncertainties not known to us or that we currently believe to be immaterial may also have an adverse effect on our business, prospects, results of operations and financial condition.

RISK RELATING TO BUSINESS OR INDUSTRY

1. Our business depends upon policies and support provided by GoI. We are also regulated by other laws i.e. Companies Act, 2013, guidelines by RBI, SEBI, stock exchanges and other applicable laws. GoI may withdraw its support, tax incentives etc. and can come up with the policies/regulations/laws which may be inconsistent with our business objectives. Any such adverse change in policies of the GoI may affect our business. Also, as a majority stake holder and Promoter, GoI could require us to take actions designed to serve the public interest in India and not necessarily to maximize our profits.
2. Our competitive efficiency depends on our capacity to maintain low cost of funds. Any increase in cost of funds will adversely affect our business. Adverse change in exchange rates on account of our foreign currency borrowings and volatility of interest rates both in International and Domestic Debt Markets may lead to increase in the cost of funds.
3. Any negative trends or financial difficulties, particularly among the borrowers and borrower groups to whom we have the greatest exposure, including SEBs and SPU, could increase the level of NPAs in our portfolio and that may make us unable to service our outstanding indebtedness. SEBs which were our borrowers and have been restructured may not have transferred liabilities related with loans to new entity, which may affect our ability to enforce the applicable provisions of the original agreement.
4. We may face potential liquidity risks due to varying periods over which our assets and liabilities mature.
5. We are involved in large number of litigations and any adverse decision in these cases may affect our financial conditions.
6. We may not have obtained sufficient security and collateral from our borrowers, or we may not be able to recover or enforce, or there may be a delay in recovering or enforcing, the expected value from any security and collateral which could have a material adverse effect on our business, financial condition and results of operations.
7. The escrow account mechanism for the payment obligations of our state sector borrowers may not be effective, which may reduce our recourse in the event of defaulted loans and could have a material adverse effect on our business, financial condition and results of operations.
8. We have granted loans to the private sector on a non-recourse or limited recourse basis, which may increase the risk of non-recovery and could expose us to significant losses.
9. Our Directors may have interests in companies/entities similar to ours, which may result in a conflict of interest that may adversely affect future financing opportunity referrals and there can be no assurance that these or other conflicts of interest will be resolved in an impartial manner. We have entered and may enter into certain transactions with related parties, which may not be on an arm's length basis or may lead to conflicts of interest.

10. We are subject to restrictive covenants, in the agreements entered into with certain banks and financial institutions for our borrowings, like to maintain credit ratings, financial ratios etc. Such restrictive covenants may restrict our operations or ability to expand and may adversely affect our business. Further non-compliance by our borrowers to comply with terms and conditions like security and insurance etc. will affect our ability to recover the loan.
11. Power projects carry various project specific and general risk, which are beyond control of REC including non conversion of letter of assurance/ MoU by coal suppliers into binding fuel supply agreement, delays in development of captive coal mines, adverse changes in demand for, or the price of, power generated or distributed by the projects to which we lend, the willingness and ability of consumers to pay for the power produced by projects to which we lend, increased cost due to environmental changes etc. Any adverse change in such conditions may affect our business.
12. We have been granted certain exemption by various authorities like RBI etc. Withdrawal of such exemptions may affect our competitive strength.
13. We may not be in compliance with certain regulations like corporate governance etc. and the same may result in imposition of penalties on us.
14. With the computerization of the accounting, payroll, human resource systems and other areas of our Company, there is every possibility of cybercrimes and frauds related to hacking of internal systems, possibility of manual intervention which may lead to destruction of our data.

RISKS RELATING TO INVESTMENT IN THE BONDS

1. There has been only limited trading in these Bonds. Further, there is no guarantee that these bonds will be listed on the stock exchanges in a timely manner or at all.
2. Our ability to pay interest and redemption depends on variety of factors including our financial conditions, Indian and global market conditions, event of bankruptcy, winding up and liquidation. We cannot assure you of payment of principal amount or interest in a timely manner or at all.
3. No Debenture Redemption Reserve is envisaged against the Bonds being issued under the terms of this Private Placement Offer Letter. In absence of Debenture Redemption Reserve investor may find it difficult to recover their money.
4. Any down grading in rating of bonds will affect the prices of these Bonds.

EXTERNAL RISK FACTOR

1. A slow- down in economic growth of India, shortages in the supply of crude oil, natural gas or coal, political instability, labour unrest, strikes, or changes in the government, international financial regulations, natural calamity, act of terrorism, war, riot etc. may affect our business. Any adverse change in such conditions may result in difficulties in obtaining funding on attractive terms.
2. Any adverse revisions to India's sovereign credit ratings for domestic and international debt by credit rating agencies may adversely impact the interest rates and other commercial terms at which such financing is available to us.
3. The Indian capital market is developing and maturing at good pace and the same may cause a shift in the pattern of power sector financing. In case our borrowers start directly accessing the market same may affect our business.

Such interest on Application Money shall be paid by the Issuer to the relevant Applicants within 15 days from the Deemed Date of Allotment.

Interest on the Bonds

The Bonds shall carry interest at the coupon rates as per term sheet (subject to deduction of tax at source at the rates prevailing from time to time under the provisions of the Income Tax Act, 1961, or any other statutory

modification or re-enactment thereof for which a certificate will be issued by REC) on the outstanding principal amount of Bonds till final redemption.

If any interest payment date falls on a day which is not a Business Day, then payment of interest will be made on the next day that is a Business Day without interest for such additional days. It is clarified that Interest/redemption with respect to debentures, interest/redemption payments shall be made only on the days when the money market is functioning in Mumbai.

Computation of Interest

The Bonds will carry interest rates as per the term sheet from the Deemed Date of Allotment. The interest will be paid from the Deemed Date of Allotment (subject to deduction of tax at source at the rates prevailing from time to time under the IT Act, or any other statutory modification or re-enactment thereof) as per term sheet. The Interest shall be computed on "Actual / Actual" day count basis.

Record Date

Record date of interest shall be 15 days prior to each interest payment date and 15 days prior to the date of Maturity. Interest shall be paid to the person whose name appears as sole/first in the Register of Bondholders/beneficiaries position of the Depositories on Record Date or to the Bondholders who have converted the Bonds to physical form and their name is registered on the registers maintained by Company/Registrar. In the event of REC not receiving any notice of transfer at least 15 days before the respective due date of payment of interest and at least 15 days prior to the maturity date, the transferees for the Bond shall not have any claim against REC in respect of interest so paid to the registered Bondholder.

Deduction of Tax at Source

Tax as applicable under the IT Act, or any other statutory modification or re-enactment thereof will be deducted at source. The investor(s) desirous of claiming exemption from deduction of income tax at source on the interest on Application money are required to submit the necessary certificate(s), in duplicate, along with the Application Form in terms of Income Tax rules.

Interest payable subsequent to the Deemed Date of Allotment of Bonds will be treated as "Interest on Securities" as per Income Tax Rules. Bondholders desirous of claiming exemption from deduction of income tax at source on the interest payable on Bonds should submit tax exemption certificate/ document, under Section 193 of the Income Tax Act, 1961, if any, at the head office of REC, at least 45 days before the payment becoming due.

Regarding deduction of tax at source and the requisite declaration forms to be submitted, prospective investors are advised to consult their own tax consultant(s).

Redemption

The face value of the Bonds will be redeemed at par, on the expiry of the tenor of the Bonds series as per details in the summary term sheet from the Deemed Date of Allotment. The Bonds will not carry any obligation, for interest or otherwise, after the date of redemption. The Bonds shall be taken as discharged on payment of the redemption amount by REC on maturity to the registered Bondholders whose names appear in the Register of Bondholders on the Record Date/ or the beneficial owners as per the list provided by the Depositories. Such payment will be a legal discharge of the liability of the Company towards the Bondholders.

In case if the redemption date falls on a day which is not a Business Day, then the payment due shall be made on the previous Business Day but without liability for making payment of interest after actual date of redemption. It is clarified that Interest/redemption with respect to debentures, interest/redemption payments shall be made only on the days when the money market is functioning in Mumbai.

Settlement/ Payment on Redemption

Payment on redemption will be made by way of cheque(s)/ redemption warrants(s)/ demand draft(s)/ CREDIT through RTGS system in the name of the Bondholders whose name appear on the list of Beneficial Owners given by Depository to REC/or the Bondholders (who have converted the Bonds to physical form), whose names are registered on the register maintained by the REC/Registrar as on the Record Date. The Bonds shall be taken as discharged on payment of the redemption amount by REC on maturity to the list of Bondholders as provided by NSDL/ CDSL/ Depository Participant. Such payment will be a legal discharge of the liability of REC towards the Bondholders. On such payment being made, REC shall inform NSDL/ CDSL/ Depository Participant and accordingly the account of the Bondholders with NSDL/ CDSL/ Depository Participant shall be adjusted.

REC's liability to the Bondholders towards all their rights including for payment or otherwise shall cease and stand extinguished from the due date of redemption in all events. Further REC will not be liable to pay any interest or compensation from the date of redemption. On REC dispatching/ crediting the amount to the Beneficiary(s) as specified above in respect of the Bonds, the liability of REC shall stand extinguished.

Right of Bondholder(s)

Bondholder is not a shareholder. The Bondholders will not be entitled to any other rights and privilege of shareholders other than those available to them under statutory requirements. The Bond(s) shall not confer upon the holders the right to receive notice, or to attend and vote at the General Meeting of the Company. The principal amount and interest on the Bonds will be paid to the registered Bondholders only, and in case of Joint holders, to the one whose name stands first.

Besides the above, the Bonds shall be subject to the provisions of the Companies Act, 1956, notified provisions of Companies Act, 2013 and the relevant rules and regulations, the Articles of Association of REC, the terms of this issue of Bonds and the other terms and conditions as may be incorporated in the Bond Trustee Agreement and other documents that may be executed in respect of these Bonds.

Effect of Holidays

If the interest payment date falls on a holiday, the payment of interest up to original scheduled date, will be made on the following working day, however the dates of the future coupon payments would be as per the schedule originally stipulated at the time of issuing the security.

If the Redemption Date (also being the last Coupon Payment Date) of the Bonds falls on a day that is not a Business Day, the redemption proceeds shall be paid by the Issuer on the immediately preceding Business Day along with interest accrued on the Bonds until but excluding the date of such payment.

It is clarified that Interest/redemption with respect to debentures, interest/redemption payments shall be made only on the days when the money market is functioning in Mumbai.

If the Record Date falls on a day which is not a Business Day, the immediately succeeding Business Day will be considered as the Record Date.

List of Beneficial Owners

REC shall request the Depository to provide a list of Beneficial Owners as at the end of the Record Date. This shall be the list, which shall be considered for payment of interest or repayment of principal amount, as the case may be.

Succession

In the event of the demise of the sole/first holder of the Bond(s) or the last survivor, in case of joint holders for the time being, REC will recognize the executor or administrator of the deceased Bondholder, or the holder of succession certificate or other legal representative as having title to the Bond(s). REC shall not be bound to recognize such executor or administrator, unless such executor or administrator obtains probate, wherever it is necessary, or letter of administration or such holder is the holder of succession certificate or other legal representation, as the case may be, from a Court in India having jurisdiction over the matter. REC may, in its absolute discretion, where it thinks fit, dispense with production of probate or letter of administration or succession certificate or other legal representation, in

order to recognize such holder as being entitled to the Bond(s) standing in the name of the deceased Bondholder on production of sufficient documentary proof or indemnity.

Where a non-resident Indian becomes entitled to the Bonds by way of succession, the following steps have to be complied:

- a. Documentary evidence to be submitted to the Legacy Cell of the RBI to the effect that the Bond was acquired by the NRI as part of the legacy left by the deceased holder.
- b. Proof that the NRI is an Indian National or is of Indian origin.

Such holding by the NRI will be on a non-repatriation basis.

REC hereby undertakes that the rights of the Bondholders will be protected as per the agreement/deed executed/to be executed between REC and the Bond Trustee. The Bond Trustee Agreement/Deed shall contain such clauses as may be prescribed under Section 71 of the Companies Act, 2013, Companies (Share Capital and Debentures) Rules, 2014 and those mentioned in Schedule IV of the Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993. Further the Bond Trustee Agreement/Deed shall not contain any clause which has the effect of (i) limiting or extinguishing the obligations and liabilities of the Bond Trustee or REC in relation to any rights or interests of the holder(s) of the Bonds; (ii) limiting or restricting or waiving the provisions of the SEBI Act; SEBI Debt Regulations and circulars or guidelines issued by SEBI; and (iii) indemnifying the Trustees or REC for loss or damage caused by their act of negligence or commission or omission.

The Bondholder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Bond Trustee or any of their agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the Bonds as the Bond Trustee may in their absolute discretion deem necessary or require to be done in the interest of the holder(s) of the Bonds. Any payment made by REC to the Bond Trustee on behalf of the Bondholder(s) shall discharge REC *protanto* to the Bondholder(s). The Bond Trustee shall protect the interest of the Bondholders in the event of default by REC in regard to timely payment of interest and repayment of principal and shall take necessary action at the cost of REC. No Bondholder shall be entitled to proceed directly against REC unless the Bond Trustee, having become so bound to proceed, fail to do so. In the event of REC defaulting in payment of interest on Bonds or redemption thereof, any distribution of dividend by REC shall require approval of the Bond Trustee.

SECTION XVI

STOCK EXCHANGE WHERE SECURITIES ARE PROPOSED TO BE LISTED

The Unsecured, Redeemable, Non-Convertible, Non-Cumulative Bonds in the nature of Debentures (“Bonds”) (Series 161) are proposed to be listed on the Wholesale Debt Market (WDM) Segment of the BSE and/or NSE. The company has obtained the in-principle approval of BSE and/or NSE for listing of the Bonds. REC shall make an application to the BSE and/or NSE to list the Bonds to be issued and allotted under this Private Placement Offer Letter and complete all the formalities relating to listing of the Bonds within stipulated time (as per applicable law) from the date of closure of the Issue. If the permission to list and trade the Bonds is not granted by the stock exchanges, our Company shall forthwith repay, without interest, all such moneys received from the Applicant in pursuance of this Private Placement Offer Letter and Section 40 of the Companies Act, 2013. If default is made, our Company and every officer in default will liable to fine as prescribed in Section 40 of the Companies Act, 2013.

In connection with listing of Bonds with BSE and/or NSE, REC hereby undertakes that:

- It shall comply with conditions of listing of Bonds as may be specified in the Listing Agreement with BSE and/or NSE.
- Ratings obtained by REC shall be periodically reviewed by the CREDIT rating agencies and any revision in the rating shall be promptly disclosed by REC to BSE and/or NSE.
- Any change in rating shall be promptly disseminated to the holder(s) of the Bonds in such manner as BSE and/or NSE may determine from time to time.
- REC, the Bond Trustee and BSE and/or NSE shall disseminate all information and reports on Bonds including compliance reports filed by REC and the Trustees regarding the Bonds to the holder(s) of Bonds and the general public by placing them on their websites.
- Bond Trustee shall disclose the information to the holder(s) of the Bonds and the general public by issuing a press release in any of the following events:
 - (i) default by REC to pay interest on Bonds or redemption amount;
 - (ii) revision of rating assigned to the Bonds;
- The information referred to in para above shall also be placed on the websites of the Trustees, REC, BSE and/or NSE.

Neither the Issuer nor any of the current directors of the Issuer has been declared as wilful defaulter.

SECTION XIX SERVICING BEHAVIOUR ON EXISTING DEBT SECURITIES AND OTHER BORROWINGS

REC hereby confirms that:

- a) The main constituents of REC's borrowings have been in the form of borrowings from Banks and Financial Institutions, Bonds etc.
- b) REC has been servicing all its principal and interest liabilities on time and there has been no instance of delay or default since inception.
- c) REC has neither defaulted in repayment/ redemption of any of its borrowings nor affected any kind of roll over against any of its borrowings in the past.

SECTION XX

UNDERTAKING REGARDING COMMON FORM OF TRANSFER

The Bonds shall be transferred subject to and in accordance with the rules/ procedures as prescribed by the NSDL/CDSL/Depository Participant of the transferor/ transferee and any other applicable laws and rules notified in respect thereof. The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Bonds held in electronic form. The seller should give delivery instructions containing details of the buyer's DP account to his depository participant. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/ redemption will be made to the person, whose name appears in the records of the Depository. In such cases, claims, if any, by the transferee(s) would need to be settled with the transferor(s) and not with REC.

Where the Bonds are held in physical form, transfer of Bonds shall be as per the relevant provisions of Companies Act, 2013, and Ministry of Corporate Affairs notification number GSR 463(E) dated June 5, 2015 issued in respect of Government Companies or any other relevant law. However, REC reserves it right to duly confirm the identity of the transferor and conduct necessary due diligence wherever required.

SECTION XXI

MATERIAL CONTRACTS & AGREEMENTS INVOLVING FINANCIAL OBLIGATIONS OF THE ISSUER

CARE's ratings are opinions on credit quality and are not recommendations to sanction, renew, disburse or recall the concerned bank facilities or to buy, sell or hold any security. CARE has based its ratings/outlooks on information obtained from sources believed by it to be accurate and reliable. CARE does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or for the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE have paid a credit rating fee, based on the amount and type of bank facilities/instruments. In case of partnership/proprietary concerns, the rating/outlook assigned by CARE is based on the capital deployed by the partners/proprietor and the financial strength of the firm at present. The rating/outlook may undergo change in case of withdrawal of capital or the unsecured loans brought in by the partners/proprietor in addition to the financial performance and other relevant factors.

Annexure-I

Rating Rationale

Rural Electrification Corporation Limited

Ratings

Facilities	Amount (Rs. crore)	Ratings ¹	Remarks
Market Borrowing Programme FY18	55,000* (Rupees Fifty Five Thousand Crore Only)	CARE AAA; Stable/CARE A1+ [Triple A; Outlook: Stable/ A One Plus]	Assigned

* Including short term market borrowing programme of Rs.5000 crore as sublimit of total MBP for FY18

Rating Rationale

The rating assigned to the market borrowing programme of Rural Electrification Corporation Ltd. (REC, CIN Number: L40101DL1969GOIOO5095) factors in the majority ownership by the Government of India (GoI), its status as the nodal agency of GoI for financing rural electrification programme and its strategic importance in funding the power infrastructure in India. The ratings also draw comfort from REC's comfortable capital adequacy with healthy capitalization levels, diversified resource profile and stable profitability. The ratings also factor in risks associated with REC's moderation in asset quality as reflected by slippages in FY16 (refers to the period April 01 to March 31) and high proportion of restructured accounts compared to net-worth, high exposure to weak state power utilities and high sectoral and borrower concentration risk.

Going forward, continued ownership and support by GoI by way of extension of favorable policy regime and asset quality would be the key rating sensitivities.

Background

REC was established in 1969 under the Companies Act, 1956, in pursuance of the recommendations of the All India Rural Credit Review Committee constituted by the Reserve Bank of India. It was declared a Public Financial Institution in 1992 under Sec. 4A of the Companies Act and also registered as "systemically important" Non-Banking Financial Company under Sec. 45-IA of the RBI Act in 1998. As on December 31, 2016, the GoI has a majority shareholding of 60.64% in REC.

REC plays an important role in partnering with Ministry of Power (MoP), Government of India (GoI) in their major initiatives to improve the power distribution sector in the country, by its involvement in programmes like Daan Dayal Upadhyaya Gram Jyoti Yojana (DDUGJY) (Nodal Agency) [formerly known as Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY)], Restructured Accelerated Power Development and Reforms Programme (R-APDRP),

¹ Complete definition of the ratings assigned are available at www.careratings.com and other CARE publications

National Electricity Fund (Nodal Agency), Financial Restructuring Plan (FRP), Smart Grid task force etc. The company was conferred the Navratna status in 2008-09.

The product portfolio of REC includes financial products and services like project term loan, short-term loan, equipment lease financing and consultancy services, etc, for various power projects in generation, transmission and distribution sector. REC's clients mainly include state power utilities, private power sector utilities (including independent power producers), joint sector power utilities and power equipment manufacturers. The company received from RBI the status of an Infrastructure Finance Company (NBFC-ND-IFC) in September 2010.

Credit Risk Assessment

Government ownership and support

The GoI is the major shareholder with 60.64% stake in the company (as on December 31, 2016). The government has been supporting REC by way of guaranteeing its borrowings from international agencies like Japan International Cooperation Agency (JICA) and KfW. Besides, REC is a strategically important entity for the government, as it is the nodal agency for implementing the DDUGJY scheme aimed at providing electricity to rural India. REC also acts as the nodal agency for the National Electricity Fund (NEF), an interest subsidy scheme started by the Ministry of Power to provide interest subsidy to loans disbursed to DISCOMs to improve infrastructure in the distribution sector. REC also plays a pivotal role in financing power projects from both the state and private sector, thereby being instrumental in strengthening the power infrastructure of the country.

Comfortable capital adequacy and diversified resource profile

REC had a comfortable capital adequacy ratio (CAR) of 20.38% as on March 31, 2016 (19.56% as on March 31, 2015). The CAR has improved as compared to previous year due to healthy internal capital generation during FY16 (refers to the period April 1 to March 31). As on December 31, 2016, Capital Adequacy Ratio (CAR) stood at 21.30%.

REC has a well-diversified resource profile, since it can mobilize funds at cost-effective rates from various sources such as external commercial borrowings (ECB), borrowings from international agencies like JICA and KfW, domestic financial institutions, long-term bonds, bank loans, commercial paper, capital gains tax exemption bonds, infrastructure bonds and tax free bonds. After getting the status of Infrastructure Finance Company in September 2010, REC has become eligible for issuance of infrastructure bonds and for raising funds up to US\$ 750 million through ECB in a year under automatic route. During FY16, REC has raised Rs.31,255 crore through capital gain bonds (21%), institutional and zero coupon bonds (50%), tax-free bonds (3%) and foreign currency borrowings (26%). Furthermore, the company has also raised CP of Rs.20,772 crore during the year.

Growth in advances portfolio; however continued sectoral and borrower concentration

During FY16, REC had disbursed Rs.46,026 crore against sanctions of Rs.65,471 crore vis-à-vis disbursements of Rs.42,818 crore and sanctions of Rs.61,421 crore in FY15. The disbursement in FY16 includes transmission and distribution segment (67% of the total disbursements in FY16), generation segment (29%) and short term loans (5%). REC's gross advances portfolio grew by 12% to Rs.2,01,278 crore as on March 31, 2016 vis-à-vis Rs.1,79,647 crore as on March 31, 2015. The loans to the generation sector registered growth of 9% y-o-y to Rs.83,417 crore and accounted for 41% of the total loan portfolio as on March 31, 2016.

Loans to transmission & distribution sector increased by 13% y-o-y to Rs.115,939 crore and accounted for 58% of the loan portfolio as on March 31, 2016. As on December 31, 2016, loan portfolio stood at Rs.201,937 crore. Yield on the advances portfolio was stable at 12.32% in FY16 vis-à-vis 12.23% in FY15 (refers to the period April 1 to March 31).

REC continues to remain exposed to high sector and borrower concentration risk as it caters only to the power sector with approximately 82% of the total advances as on March 31, 2016 towards State power utilities (SPUs). Furthermore, top 10 exposures contributed 37% of the outstanding loan book and 259% of net worth as on March 31, 2016 (40% to the total outstanding loan book as on March 31, 2015).

Consistent profitability

Over the years, REC has achieved adequate profitability led by consistent growth in total income, improving interest spread and Net Interest Margins (NIM). REC registered growth of 16.5% in total income in FY16 mainly on

account of increase in loan portfolio. Furthermore, PAT has increased by 7% in FY16 over FY15. The interest spread continued to remain stable owing to better yield and availability of low cost funds. In FY16, REC has made additional provisions of Rs.821.34 crore against standard restructured loan accounts (FY15: Rs.451.77 crore). The same has led to decline in ROTA to 2.88% in FY16 as compared to 3.13% in FY15.

During 9MFY17, REC reported a net profit of Rs.4,927 crore on a total income of Rs.18,117 crore.

Moderation in asset quality and high exposure to weak state power utilities (SPU)

The asset quality of REC moderated in FY16 on account of higher slippages. Slippages of Rs.2,910.13 crore during FY16 led to increase in gross NPA to Rs.4,244 crore as on March 31, 2016 vis-à-vis Rs. 1,335 crore as on March 31, 2015. The Gross NPA % and Net NPA % as on March 31, 2016 stood at 2.11% and 1.61% vis-à-vis 0.74% and 0.54% as on March 31, 2015. Net NPA/ Net worth as on March 31, 2016 stood at 11.29% vis-à-vis 3.90% as on March 31, 2015. During 9MFY17, Gross NPA and net NPA ratios stood at 2.32% and 1.68% respectively. Furthermore, the restructured standard assets as on March 31, 2016 stood at Rs.20,237 crore. Net stressed assets (Net NPA + Net restructured standard accounts) as proportion of net worth stood at 82% as on March 31, 2016. Also, during FY16, 23 standard loan accounts amounting to Rs.22,829.88 crore ie. 11% of gross advances have been rescheduled due to delayed commissioning of the respective projects.

REC's portfolio mainly includes loans to SPUs which forms 82% of the outstanding loan portfolio as on March 31, 2016. Furthermore, exposure to private sector borrowers accounted for 15% of the total loan portfolio as on March 31, 2016. Since majority of the state power utilities have weak financial profile, it exposes REC to vulnerability in asset quality. However, REC has been able to maintain good collection efficiency from its state as well private sector entities with recovery rate of 96.61% in FY16 vis-à-vis 97.70% in FY15.

Prospects

REC has demonstrated sustained business growth in FY16 as well as 9MFY17; however, the company has also faced moderation in its asset quality along with continued weak financial health of state power utilities.

Going forward, the continued support of the GoI by way of extension of favorable policy regime and the ability of the company to maintain comfortable profitability and asset quality would be the key rating sensitivity.

Detailed Rationale

The rating assigned to the market borrowing programme of Rural Electrification Corporation Ltd. (REC, CIN Number: L40101DL1969GOIOO5095) factors in the majority ownership by the Government of India (GoI), its status as the nodal agency of GoI for financing rural electrification programme and its strategic importance in funding the power infrastructure in India. The ratings also draw comfort from REC's comfortable capital adequacy with healthy capitalization levels, diversified resource profile and stable profitability. The ratings also factor in risks associated with REC's moderation in asset quality as reflected by slippages in FY16 (refers to the period April 01 to March 31) and high proportion of restructured accounts compared to net-worth, high exposure to weak state power utilities and high sectoral and borrower concentration risk.

Going forward, continued ownership and support by GoI by way of extension of favorable policy regime and asset quality would be the key rating sensitivities.

Detailed description of the key rating drivers

Government ownership and status of nodal agency: REC plays a pivotal role in financing power projects from both the state and private sector, thereby being instrumental in strengthening the power infrastructure of the country. REC is a strategically important entity for the government, as it is the nodal agency for implementing the DDUGJY scheme and National Electricity Fund (NEF). The GoI is the major shareholder with 60.64% stake in the company (as on December 31, 2016).

Adequate profitability: Over the years, REC has achieved adequate profitability led by consistent growth in total income, improving interest spread and Net Interest Margins (NIM). REC registered growth of 16.5% in total income in FY16 mainly on account of increase in loan portfolio. The interest spread continued to remain stable owing to better yield and availability

of low cost funds. In FY16, REC has made additional provisions of Rs.821.34 crore against standard restructured loan accounts, the same has led to decline in ROTA to 2.88% in FY16 as compared to 3.13% in FY15.

Diversified resource profile and comfortable capital adequacy: REC has a well-diversified resource profile, since it can mobilize funds at cost-effective rates from various sources. During FY16, REC has raised Rs.31,255 crore through capital gain bonds (21%), institutional and zero coupon bonds (50%), tax-free bonds (3%) and foreign currency borrowings (26%). Furthermore, the company has also raised CP of Rs.20,772 crore during the year.

REC had a comfortable capital adequacy ratio (CAR) of 21.30% as on December 31, 2016.

Growth in loan portfolio with moderation in asset quality: The loan portfolio of REC had registered a growth of 12% in FY16 (refers to the period April 01 to March 31). As on December 31, 2016, loan portfolio stood at Rs.201,937 crore. The asset quality of REC moderated in FY16 on account of higher slippages. The Gross NPA % and Net NPA % as on March 31, 2016 stood at 2.11% and 1.61%. During 9MFY17, Gross NPA and net NPA ratios increased to 2.32% and 1.68% respectively.

REC continues to remain exposed to high sector and borrower concentration risk as it caters only to the power sector with approximately 82% of the total advances as on March 31, 2016 towards State power utilities (SPUs). Furthermore, top 10 exposures contributed 37% of the outstanding loan book and 259% of net worth as on March 31, 2016.

Dear Sir,

Re: ICRA Credit Rating of the Rs. 50,000 crore Long Term Borrowing Programme (including Bonds and Long Term Bank Borrowings) of Rural Electrification Corporation Limited for the Financial Year 2017-18

This is with reference to your request dated February 16, 2018 for re-validating your rating for the Long Term Borrowing Programme of Rs 50,000 crore.

We hereby confirm that the rating of [ICRA]AAA (pronounced ICRA triple A) assigned to the captioned Long Term Borrowing Programme of your company and last communicated to you vide our letter dated January 12, 2018 stands. Instruments with this rating are considered to have the highest degree of safety regarding timely servicing of financial obligations. Such instruments carry lowest credit risk. The outlook on the long term rating is Stable.

This rating is specific to the terms and conditions of the proposed issue as was indicated to us by you and any change in the terms or size of the issue would require the rating to be reviewed by us. The rating is restricted to your Long Term Borrowing programme size of Rs. 50,000 crore only. Further the total utilisation of the captioned rated Long Term borrowings programme (including Bonds, Long Term Bank Borrowings and Bank guarantees) and Short Term borrowing (including Commercial Paper & Short term bank borrowings) programme should not exceed Rs. 55,000 crore for financial year 2017-18. If there is any change in the terms and conditions or size of the instrument rated, as above, the same must be brought to our notice before the issue of the instrument. If there is any such change after the rating is assigned by us and accepted by you, it would be subject to our review and may result in change in the rating assigned. More specifically, the rating assumes that there will be no acceleration clause under the proposed borrowing programme.

The other terms and conditions for the credit rating of the aforementioned instrument shall remain the same vide our letter Ref No: D/RAT/2016-2017/R7/15 dated March 31, 2017

Rating Action

ICRA has assigned the rating of [ICRA]AAA (pronounced ICRA triple A) to the Rs. 50,000 crore long term borrowing programme and [ICRA]A1+ (pronounced ICRA A one plus) to the Rs. 5,000 crore short term borrowing programme of Rural Electrification Corporation Limited (REC)[†] for FY2018. The overall borrowing programme for FY2018 for REC stands at Rs. 55,000 crore. ICRA also has rating outstanding of [ICRA]AAA for the various long-term bond and bank borrowing programmes and of [ICRA]A1+ for the commercial paper/short-term debt programmes of the corporation aggregating Rs. 2,47,930 crore. The outlook on the long-term ratings is Stable.

Rationale

The assigned ratings derive significant strength from REC's sovereign ownership (59.36% of equity held by the Government of India (GoI) as on January 31, 2017) and the corporation's important role as a nodal agency for the GoI's rural electrification schemes under the Deen Dayal Upadhyaya Gram Jyoti Yojana (DDUGJY) and also as a sole nodal agency for operationalisation of the NEF¹ scheme. Further, REC, as one of the major power sector financiers, remains strategically important for the GoI, for augmenting power capacities across the country. The ratings also continue to draw comfort from REC's adequate earning profile (annualised net profit/ average total assets of ~2.9% for FY2016 and 3.2% for 9MFY2017) supported by its strong financial flexibility and low operating costs (0.18% for FY2016). REC also has access to funds through low-cost capital gains bonds under Section 54EC of Income Tax Act, 1961 (accounting for around 11% of total borrowings as on December 31, 2016).

These strengths are partly offset by the corporation's exposure to a single sector (i.e. power sector), high concentration of its exposure towards financially weak state power utilities and the vulnerability of its exposure to private sector borrowers as reflected in the asset quality indicators with gross NPA% of 2.32% and standard restructured advances of 9.7% as on December 31, 2016.

The entity's ability to grow its loan book while maintaining adequate profitability and controlling credit costs would be the key rating sensitivity going forward. Also any significant dilution in GoI's stake or in REC's strategic role would be key rating sensitivities.

[†] For complete rating scale and definitions, please refer ICRA's website (www.icra.in) or other ICRA rating publications.

¹ National Electricity Fund – an interest subsidy scheme introduced by the GoI to promote the capital investment in the distribution sector.

Key Rating Drivers

Credit Strengths

- Majority (59.36% January 31, 2017) sovereign ownership and strategic importance to the GoI for implementation of high priority rural electrification programmes
- Preferred financier status as the nodal agency for implementing the GoI's rural electrification schemes such as the DDUGJY; also the sole nodal agency for operationalisation of the NEF scheme
- Access to funds through low-cost capital gains bonds under Section 54EC of Income Tax Act, 1961
- Comfortable liquidity position with access to long term funds from diverse sources
- Moderate capitalisation indicators, with gearing of 5.0 times and CRAR of ~21% as on December 31, 2016
- Adequate earnings profile (net profit/ average total assets of ~2.9% for FY2016) supported by its strong financial flexibility and low operating costs

Credit Weakness

- Weak financial health of state power distribution utilities (discoms), exposes REC's generation segment customers to substantial counter party risks; however effective implementation of Ujwal Discom Assurance Yojana (UDAY) could help discoms improve their financial and liquidity position.
- Incremental investments by developers in the power sector and hence business growth for REC would depend upon resolution of sectoral concerns
- Ability to maintain collections from the IPP segment (~16% of book as on December 31, 2016), which is affected by industry level concerns with respect to fuel availability, disputed/competitive power sale tariffs, lack of PPAs, environmental clearances and land acquisition issues
- Exposed to high concentration risk (both industry and borrower level); aggravated by the exemption from RBI concentration norms for lending/investment in state/central government entities
- Exposed to foreign exchange risks, with unhedged foreign currency borrowings accounting for ~12% of net worth as on December 31, 2016

Description of key rating drivers highlighted above:

The ratings derive significant strength from REC's sovereign ownership and its important role as a nodal agency for the GoI's various rural electrification schemes. The ratings continue to draw comfort from REC's adequate earning profile supported by its strong financial flexibility and low operating costs. REC also has access to funds through low-cost capital gains bonds under Section 54EC of Income Tax Act, 1961. These strengths are partly offset by the corporation's exposure to a single sector (i.e. power sector), high concentration of its exposure towards financially weak state power utilities and the vulnerability of its exposure to private sector borrowers.

As on December 31, 2016, REC had a total loan book of Rs.2,01,937 crore (Rs. 2,01,278 crore as on March 31, 2016). Its exposure to state power utilities accounted for 76% of its total advances, followed by exposures to IPPs at 16%, while its exposures to central and joint sector entities stood at 8% as on December 31, 2016. REC's loan book reported a negligible growth of during 9MFY2017 on account of prepayments under Ujwal Discom Assurance Yojana (UDAY) scheme of Rs. 30,307 crore (Rs. 8856 crore during Q4FY2016 and Rs. 21,451 crore during 9MFY2017). ICRA also takes note of REC's increased focus on state transmission and generation projects and renewable energy projects which are expected to be its key growth drivers, going forward.

REC reported a return on average assets of 2.9% and return on average network of ~21% in FY2016 (3.1% and 23% respectively in FY2015). REC's overall profitability profile is comfortable, supported by access to funds at lower cost (cost of funds of ~8.3% in FY2016) and lower operating expenses (~0.18% during FY2016). However, as per ICRA estimates, UDAY prepayments, rising non-performing assets (gross NPAs increased from 1.71% as on December 31, 2015 to 2.32% as on December 31, 2016), migration from 180+ DPD NPA recognition norms to 90+ DPD, increase in provisioning requirements on standard restructured assets (~9.7% as on December 31, 2016) coupled with high vulnerability in the IPP loan book could impact REC profitability adversely during the short to medium term. Going forward, the entity's ability to grow its loan book while maintaining adequate profitability and controlling credit costs would be critical.

ICRA believes that the timely implementation of the UDAY scheme (financial and operational parameters) remains critical for ensuring the credit quality of not only the discoms but also the generation companies given their dependence on the former for cashflows. The health of the discoms would also be dependent upon adequate and timely tariff revision by SERCs including periodic pass-through of fuel cost fluctuations and timely and adequate release of subsidies by state governments.

As on December 31, 2016, REC's exposure to IPPs stood at 16% of its total advances. Several of the IPP exposures are highly vulnerable, being impacted by the sectoral concerns of fuel availability, disputed/competitive power sale tariffs, absence of power purchase agreements leading to high offtake risk and environmental and land acquisition issues. ICRA notes that all of REC's reported gross NPAs (180+ DPD) of 2.32% as on December 31, 2016 were from the IPP segment. Around 31% of REC's IPP exposures as on December 31, 2016 were classified as restructured, mainly on account of a shift in project commercial date of operations. ICRA favourably notes the improvement in availability of coal and also the possible reduction in counter party risks for IPPs with the implementation of the UDAY scheme. Going forward, it would be important for the entity to maintain a strict control over collections from the IPP segment.

As on December 31, 2016, REC's gearing was moderate at 5.0 times, and going forward, its ability to maintain leverage at a prudent level would be an important rating consideration. REC has a comfortable asset-liability matching profile with low cumulative mismatches. REC's strong financial flexibility, availability of unutilised bank lines and the expected inflows through the redemption of discom exposures under the UDAY Scheme are expected to keep its short term liquidity comfortable.

Analytical approach:

The current rating for REC is largely based on its strong operational and managerial linkages with the GoI. GoI held 59.36% stake in REC as on December 31, 2016.

About the Corporation:

Rural Electrification Corporation Limited (REC), a listed 'Navratna' Public Sector Enterprise under Ministry of Power, Government of India, was incorporated on July 25, 1969 under the Companies Act 1956. REC is a Non-Banking Financial Company with Infrastructure Finance Company status. The GoI has a majority shareholding of 59.36% in REC, while the balance is held by the public.

REC's main objective is to finance and promote power sector projects across the country. While the initial mandate of REC was to finance village electrification, pump-set energising and transmission and distribution projects, the mandate was extended in FY2003 to cover power generation projects larger than 25 MW and IPPs. REC provides loans to various state power utilities, private sector project developers, central power sector utilities and state governments for investments in power generation, transmission, distribution and other system improvement schemes/initiatives. REC's corporate office is located at New Delhi, and it has 18 project offices and 3 sub-offices, located in most states in the country.

Results

REC reported a profit after tax (PAT) of Rs. 5,628 crore on an asset base of Rs. 2,06,353 crore for FY2016 as compared with a PAT of Rs. 5,260 crore on an asset base of Rs. 1,83,175 crore during FY2015.

During 9MFY2017, REC reported a PAT of Rs. 4,927 crore against a profit of Rs. 4,468 crore during 9MFY2016. As on December 31, 2016, REC has a loan book of Rs. 2,01,937 crore and net worth of Rs. 33,553 crore, while its gross and net NPAs stood at 2.32% and 1.68% respectively.

^{\$} Borrowing programme for fiscal 2017

Detailed Rationale

CRISIL has assigned its '**CRISIL AAA/Stable**' rating to the Rs.50000 crore long-term borrowing programme of Rural Electrification Corporation Limited (REC) and its '**CRISIL A1+**' rating to the Rs.5000 crore short-term debt programme of the company. CRISIL has also reaffirmed its ratings on REC's existing debt instruments at '**CRISIL AAA/Stable/CRISIL A1+**'.

CRISIL's ratings on the debt instruments of REC continue to reflect the company's strategic importance to, and majority ownership by, the Government of India (GoI) given its key role in financing the Indian power sector. The rating also reflect REC's sound resource profile and comfortable capitalisation. The rating strengths are partially offset by the company's exposure to risks relating to inherent vulnerability of asset quality, and significant customer and sectoral concentration.

Key Rating Drivers & Detailed Description

Strengths

*** Strategic importance to and majority ownership by Gol, given REC's key role in financing India's power sector**

REC is strategically important to Gol as the nodal agency for channelling finance towards its rural electrification programme under the Deendayal Upadhyaya Gram Jyoti Yojana (formerly known as Rajiv Gandhi Grameen Vidyutikaran Yojana). Furthermore, the company has been nominated as the sole nodal agency to operate the National Electricity Fund Scheme'an interest subsidy scheme introduced by Gol'to promote capital investment in the power distribution sector. The company also plays a developmental role in channelling finance to meet the power sector's large funding requirement, particularly of State Power Utilities (SPUs). It played an important role in providing transitional finance to state distribution companies (discoms) under Gol's financial restructuring package. REC is the second-largest lender to the sector. The government supports the company financially and operationally in various ways, including conferring special status to raise capital gains tax exemption bonds. CRISIL believes that Gol has strong strategic reasons and a moral obligation to support REC, both on an ongoing basis and in the event of distress, given the latter's role in implementing the government's power sector policies and Gol's majority ownership in the company (59.36% as on January 31, 2017).

*** Strong resource profile**

REC's credit risk profile is supported by its sound resource profile, with competitive borrowing costs and a diversified, albeit wholesale, resource base. Its debt instruments have wide market acceptability and the company typically borrows at low spreads over government securities. Its cost of borrowing is lower than that of peers, and was 8.2% (annualised; including foreign currency fluctuation losses) in the first nine months of fiscal 2017 (8.9% in fiscal 2016).

*** Comfortable capitalisation**

The comfortable capitalisation provides a cushion against asset-side risks arising from high sectoral and customer concentration. The networth was Rs 33,553 crore as on December 31, 2016 (Rs 28,618 crore as on March 31, 2016). The overall capital adequacy ratio was 21.3% as on December 31, 2016 (20.38% as on March 31, 2016). Capitalisation is supported by healthy cash accrual; the three-year average accrual to networth ratio was 16.1% between fiscal 2014 and fiscal 2016. The comfortable networth will support growth plans, while adequate gearing (5.0 times as on December 31, 2016) is maintained, over the medium term. Healthy profitability is supported by ability to maintain strong interest spreads and a low operating expense ratio. The return on assets ratio was 3.2% (annualised) in the first nine months of fiscal 2017 (2.9% in fiscal 2016). However, profitability will remain susceptible to increase in credit costs because of weakening in asset quality in the private sector exposures.

Weakness

*** Exposure to risks relating to inherent vulnerability of asset quality, and significant customer and sectoral concentration**

The company caters only to the power sector and faces inherent asset quality challenges because of the weak financial risk profiles of its main customers, SPUs, comprising around 76% of overall advances as on December 31, 2016. Effective execution of various reform measures is extremely critical for SPUs to produce the desired positive impact, and broad-based political consensus is necessary to implement the much-needed tariff hikes to ensure sustained improvement in the performance of SPUs.

REC also has around 16% exposure to the private sector as on December 31, 2016, which has increasingly become more vulnerable to asset quality risks owing to issues such as lack of fuel availability, inability to pass on fuel price increases, and absence of long-term power purchase agreements for assured power offtake. Aggressive bidding by a few players could also threaten the viability of new projects likely to be commissioned over the medium term.

As on December 31, 2016, the overall gross non-performing assets (NPAs), were 2.32% (2.11% as on March 31, 2016), which is primarily due to stress in private sector exposure. However, REC has been able to manage asset quality risks owing to its criticality to borrowers and through various asset protection mechanisms. CRISIL, however, believes that the asset quality will remain vulnerable over the medium term primarily because of the weak financial risk profiles of SPUs and the increased challenges faced by private sector borrowers.

Outlook: Stable

CRISIL believes that REC will continue to benefit from Gol's support, given its strategic role in the implementation of Gol's power sector initiatives and the government's majority ownership in the company. Moreover, REC will maintain its healthy position in the infrastructure-financing segment along with comfortable capitalisation and earnings. The outlook may be revised to 'Negative' if there is a decline in REC's strategic importance to, or in the support it receives from, Gol. The outlook may also be revised to 'Negative' if there is a significant and sustained deterioration in REC's asset quality or profitability.

About the Company

Incorporated in 1969, REC is a public financial institution under the administrative control of the Ministry of Power, Gol. The company is registered with Reserve Bank of India as a non-banking infrastructure finance company (NBFC-IFC). Until 2003, its primary objective was to provide financial assistance on concession to SPUs for rural electrification. Its mandate was broadened in 2003 to include financing of all segments of the power sector; REC finances generation projects, including independent power projects. Since September 2009, the company's mandate has been further widened to include financing activities allied to the power sector, and power-related infrastructure, such as coal and other mining activities, and fuel supply arrangements.

In fiscal 2016, total income (net of interest expense) and profit after tax (PAT) were Rs 9474 crore and Rs 5628 crore, respectively, up from Rs 8543 crore and Rs 5260 crore, respectively, in the previous fiscal. In the nine months ended December 31, 2016, total income (net of interest expense) and PAT were Rs 7765 crore and Rs 4927 crore, respectively, against Rs 7143 crore and Rs 4468 crore, respectively, in the corresponding period of the previous fiscal.

About CRISIL Ratings

CRISIL Ratings is part of CRISIL Limited ("CRISIL"). We pioneered the concept of credit rating in India in 1987. CRISIL is registered in India as a credit rating agency with the Securities and Exchange Board of India ("SEBI"). With a tradition of independence, analytical rigour and innovation, CRISIL sets the standards in the credit rating business. We rate the entire range of debt instruments, such as, bank loans, certificates of deposit, commercial paper, non-convertible / convertible / partially convertible bonds and debentures, perpetual bonds, bank hybrid capital instruments, asset-backed and mortgage-backed securities, partial guarantees and other structured debt instruments. We have rated over 24,500 large and mid-scale corporates and financial institutions. CRISIL has also instituted several innovations in India in the rating business, including rating municipal bonds, partially guaranteed instruments and microfinance institutions. We also pioneered a globally unique rating service for Micro, Small and Medium Enterprises (MSMEs) and significantly extended the accessibility to rating services to a wider market. Over 95,000 MSMEs have been rated by us.

New Delhi - 110003

February 16, 2018

Kind Attn: Mr. A. K. Agarwal, Director – Finance

Dear Sir,

Re: Rural Electrification Corporation Limited - Borrowing Programme Ratings.

India Ratings and Research (Ind-Ra) is pleased to communicate the following ratings:-

- Long-Term Issuer Rating: 'IND AAA'/Stable
- INR500 billion Long-term annual borrowing programme (FY18): 'IND AAA/Stable'

India Ratings notes that the ratings are assigned to the programme and not to the notes issued under the programme. There is no assurance that notes issued under the programme will be assigned a rating, or that the rating assigned to specific issue under the programme will have the same rating as the rating assigned to the programme.

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security or in a given jurisdiction.

The manner of India Ratings' factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in the jurisdiction in which the rated security is offered and sold and/or the issuer is located, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of India Ratings' ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that India Ratings is continuously evaluating and updating. Therefore, ratings are the collective work product of India Ratings and no individual, or group of individuals, is solely responsible for a rating. All India Ratings reports have shared authorship. Individuals identified in an India Ratings report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings' ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter and any changes thereof to the investors.

It will be important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason India Ratings deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between India Ratings and you or between India Ratings and any user of the ratings.

In this letter, "India Ratings" means India Ratings & Research Pvt. Ltd. and any successor in interest.

We are pleased to have had the opportunity to be of service to you. If we can be of further assistance, please contact the undersigned at 022 – 4000 1700.

Sincerely,

India Ratings

India Ratings Assigns Rural Electrification Corp's FY18 Borrowing Programme 'IND AAA'; Outlook Stable

29

By [Devika Malik](#)

MAR 2017

India Ratings and Research (Ind-Ra) has rated Rural Electrification Corporation Limited's (REC) FY18 long-term annual borrowing programme and short-term borrowing programme as follows:

Instrument Type	Date of Issuance	Coupon Rate	Maturity Date	Size of Issue (billion)	Rating/Outlook	Rating Action
Long-term annual borrowing programme (FY18)	-	-	-	INR500	IND AAA/Stable	Assigned
Short-term borrowing programme (including commercial paper (CP) and bank guarantee) (FY18)	-	-	-	INR50	IND A1+	Assigned

KEY RATING DRIVERS

Nodal Public Policy Institution: REC acts as a nodal agency for the financing of rural electrification projects under centrally sponsored schemes, and provides low-cost funding to state electricity boards and state-owned power entities for rural electrification. REC is a one-stop point for funding of all three verticals in the power sector (generation, transmission and distribution) as well as emerging private independent power projects. REC has been appointed as the nodal agency for the operationalisation of the National Electricity Fund scheme for monitoring grants and implementing Deendayal Upadhyaya Gram Jyoti Yojana.

Sovereign Support: REC is majorly a government-owned company (currently 59.36%). The government of India (GoI) provides financial support to REC; it is one of the two government entities allowed to raise low-cost funds through capital gain tax bonds (54EC bonds). REC has strong operational and financial linkages with the GoI. The company acts as an extended arm of the GoI to finance rural electrification projects, a mandatory responsibility of the government. Ind-Ra believes the sovereign will provide timely financial support to REC in the event of a financial distress.

Pickup in Operations: REC's overall disbursements grew 10.1% yoy to INR 375 billion in 9MFY17. Barring distribution, disbursements picked up at a comfortable pace in all other segments during the period. Given REC is focused on thermal and large renewable power projects, maximum disbursements occurred in the generation segment, which accounted for 43.68% of the disbursements and grew 95.71% yoy in 9MFY17. Meanwhile, disbursements in the distribution segment declined 41.36% yoy in 9MFY17. The decline was due to the implementation of Ujwal DISCOM Assurance Yojana (UDAY).

Sanctions grew at a faster rate at 36.8% yoy to INR674 billion in 9MFY17 than 4.17% yoy in 9MFY16. The majority of sanctions took place in the generation segment (52%) in 9MFY17. Sanctions in the generation segment grew 43.7% yoy in 9MFY17.

Contracting Loan Book: REC's loan book expanded at a 16.29% CAGR over 9MFY12-9MFY17. However, REC's loan book marginally rose by 0.33% in 9MFY17 compared with that in FY16 and declined 0.47% yoy to INR2,019.4 billion in 9MFY17. The meagre contraction in the loan book in 9MFY17 was due to prepayments totalling INR 214.51 billion during the nine months ended December 2017 arising from UDAY. Although disbursements expanded at a stable rate in 9MFY17, with about INR106 billion in prepayments received in 4QFY17 from UDAY, REC's loan book is likely to register a meagre contraction for FY17.

Weakening Asset Quality: REC's gross non-performing assets (NPAs) stood at INR46.91 billion at 9MFYE17 (FYE16: INR42.43 billion; FYE15: INR13.35 billion). Three fresh slippages occurred between 9MFY17 and FY16, leading to a rise in gross NPAs to 2.32% in 9MFY17 from 2.11% in FY16 and in net NPAs to 1.68% in 9MFY17 from 1.60% in FY16.

Fall in NIM: Although the cost of borrowing declined 25bp in 9MFY17, REC's net interest margin (NIM) declined to 4.54% in 9MFY17 from 4.83% in 9MFY16. This was due to a 78bp fall in the yield on the overall loan portfolio due to the implementation of UDAY. However, Ind-Ra factors in that REC does not operate with a profit maximisation objective and aims to benefit the sector at large.

RATING SENSITIVITIES

A significant dilution in the GoI's stake in REC resulting in the weakening of linkages between the two entities, as well as a dilution in REC's role as a public policy institution, could result in a rating downgrade.

COMPANY PROFILE

REC was set up by the GoI in 1969 to finance and promote rural electrification projects in India. It now acts as a nodal agency for financing rural electrification projects under the GoI-sponsored schemes, and provides financial assistance to private power entities, state electricity boards, state government departments and rural electric cooperatives for rural electrification projects.

Notes:

- The above financial results for the period ended 30 September 2017 were reviewed by the Audit Committee at the meeting held on 6 November 2017 and approved and taken on record by the Board of Directors at the meeting held on 6 November 2017.
- These results have been subjected to limited review by the Statutory Auditors of the Company.
- During the quarter ended 30 June 2017, the Company had revised the accounting policy for amortization of one time arrangement fee incurred in raising of foreign currency borrowings and premium paid towards hedging contracts over the period of such borrowings/ contracts. Due to this change in accounting policy, profit before tax for the quarter and half year ended 30 September 2017 is higher by ₹ 44.98 Crores. Further, during the current quarter ended 30 September 2017, the policy for recognising the agency fee on Government schemes has now been changed to recognise such income on accrual basis. Due to this change in accounting policy, profit before tax for the quarter and half year ended 30 September 2017 is higher by ₹ 67.75 Crores.
- The company has opted for amortising the foreign exchange fluctuation loss/ gain on the long term foreign currency monetary items over the balance period of such items. The balance in 'Foreign Currency Monetary Item Translation Difference Account' remaining to be amortised as at 30 September 2017 is ₹ 35.70 Crores (gain) [As at 30 June 2017 ₹ 23.35 Crores (gain)].
- RBI, vide its letters dated 25 July 2013 and 4 April 2014, had conveyed to the Company to comply with the Prudential Norms of RBI by 31st March, 2016 and follow the instructions contained in RBI Circular dated 23 January 2014 issued vide Notification No. DNBS (PD) No. 271/ CGM (NSV)-2014 in respect of restructuring of assets. Later, RBI vide its letter dated 11 June 2014 had allowed exemption to the Company from RBI restructuring norms till 31 March 2017 for Transmission & Distribution, Renovation & Modernisation and Life Extension projects and also the Hydro projects in Himalayan region or affected by natural disasters. Further, for project loans to Generating Companies restructured w.e.f. 01/04/2015, the provisioning requirement would be 5% and for stock of loans as on 31/03/2015 of such projects, the provisioning shall commence with a provision of 2.75% w.e.f. 31/03/2015 and reaching 5% by 31/03/2018.

In accordance with clarification from RBI vide email dated 10 August 17, T&D, R&M and life extension projects as also the hydro projects in Himalayan region or affected by natural disaster will be regulated by RBI restructuring norms with effect from 1 April 2017.

Further, in response to the Company's letter dated 13 May 2016, RBI vide its letter No. DNBR.PD.CO.No. 2184/03.10.001/2015-16 dated 16 June 2016, has exempted REC, from applicability of RBI's concentration of Credit/Investment norms, in respect of its exposure to Central/ State Government entities up to 31 March 2022.

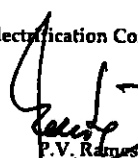

During the current quarter, a provision has been made amounting to ₹ 34.07 Crores on qualifying restructured loans (comprising of loans to Public Sector ₹ 10,763.87 crores and loans to Private Sector ₹ 12,522.00 crores) and the total provision created against such loans amounts to ₹ 1,269.41 crores as on 30 September 2017.

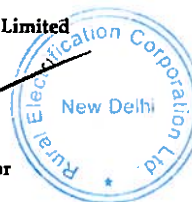

6. As at 30 September 2017, the dues of one of the borrowers were overdue for more than 3 months, thus, exceeding the time limit for classification of the borrower as 'Standard Asset'. However, the borrower had obtained an ad-interim order from Hon'ble High Court of Madras on 18 September 2015 not to classify the account as NPA. In view of the same, the classification of the borrower has been retained as 'Standard Asset' pending final decision of the Court.

However, as a matter of prudence, an additional provision had been created during the financial year 2016-17 @ 4.50% over and above 5.00% provision in respect of the loan, making a total of 9.50% amounting to ₹ 218.69 crores and the same continues to be maintained. Further, during the quarter and half year ended 30 September 2017, the interest income of ₹ 94.57 Crores and ₹ 185.26 Crores respectively has not been recognised in the books of accounts.

7. The domestic debt instruments of the Company continue to enjoy "AAA" rating – the highest rating assigned by CRISIL, CARE, India Ratings & Research & ICRA-Credit Rating Agencies. Further, the Company enjoys international credit rating equivalent to sovereign rating of India from International Credit Rating Agencies Moody's and FITCH which is "Baa3" and "BBB-" respectively.
8. The Company's main business is to provide finance to power sector. Accordingly, the company does not have more than one segment eligible for reporting in terms of Accounting Standard-17 'Segment Reporting'.
9. REC launched its maiden USD Green Bonds in June 2017 to become the first Indian PSU to launch Green Bonds denominated in US Dollars and raised USD 450 million for a tenure of ten years from the offshore market. The Green Bonds, listed on the London Stock Exchange and Singapore Stock Exchange, have been certified by the Climate Bond Initiative, London while the 'Green Bond framework' formulated by REC has been verified by KPMG. The issue proceeds were received on 7 July 2017 and have since been utilized for financing existing projects including re-financing and new eligible green projects in accordance with the Green Bond framework.
10. Details of previous due dates for the payment of interest/ repayment of principal along with next due date for the payment of interest/ principal in respect of listed non-convertible debt securities have been annexed herewith this statement as Annexure A in terms of the requirements of Regulation 52(4) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
11. The Company has not issued any redeemable preference shares till date.
12. For all the secured bonds issued by the Company and outstanding as at 30 September 2017, 100% security cover has been maintained by way of mortgage on certain immovable properties and/or charge on the receivables of the Company.
13. Previous periods/year's figures have been regrouped/rearranged wherever necessary.

Limited Review Report for the period ended 30 September 2017

The Board of Directors,
Rural Electrification Corporation Limited,
Core-IV, SCOPE Complex,
7, Lodi Road,
New Delhi 110 003.

We have reviewed the accompanying statement of Standalone unaudited financial results of Rural Electrification Corporation Limited for the period ended 30 September 2017. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the interim financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of standalone unaudited financial results read with notes thereon, prepared in accordance with applicable accounting standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
