The Cash Flow displayed above is calculated per bond (face value of Rs. 1,000,000)

- The Cash Flow assumes that the call options available on this bond (if any) have not been exercised by the company.
- The interest payment shall be rounded to nearest rupee as per FIMMDA 'Handbook on market practices'.
- Please note the following "Effect of Holidays"
  - In case if the interest payment date as mentioned falls on a holiday, the payment will be made on the following working day. However, the dates of the future coupon payments would be as per the schedule originally stipulated. In the respective tranche documents. The interest amount on the outstanding value of Debentures is calculated on Actual/Actual day count basis. In case of a leap year, if February 29 falls during the tenor of a security, then the number of days shall be reckoned as 366 days.
  - If any due date for payment of part redemption proceeds/final redemption proceeds of the Debentures, falls on a Sunday or a holiday, the previous Business Day shall be considered as the effective payment date and on such date, the part or full redemption proceeds (as applicable as per the structure of the Debenture) shall be paid along with the interest amount on the outstanding value of Debentures computed on Actual/Actual day count basis.
  - In case of exercise of Call/Put option, any redemption falling on a Sunday or a holiday, such redemption proceeds (as applicable as per the structure of the Debenture) shall be paid on the preceding day along with the interest amount calculated on the outstanding value of Debentures computed on Actual/Actual day count basis.
- The cashflow has been prepared based on the best available information on holidays and could further undergo change(s) in case of any scheduled and unscheduled holiday(s) and/or changes in money market settlement day conventions by the RBI / SEBI
